### DATES OF CONTRACT:

## **COURSE CREDIT HOURS:**

## **HIRING-IN PROCESS:**

Upon receipt of the approved contract signed by the Graduate Dean, you should contact **Human Resources** (HR) by phone (470-578-6030) or email ([hr@kennesaw.edu](mailto:hr@kennesaw.edu)) and identify yourself as a Graduate Assistant for the upcoming semester to complete the hiring process.

Please note that Graduate Assistants are required to attend HR orientation and cannot be paid until this final step has been completed. **Orientation must be completed no later than the third day after the beginning date of the contract.**

## **PAYMENT OF FEES:**

Each Graduate Assistant pays a special tuition fee of **\$25 per semester**, as well as all student fees, and the cost of mandatory health insurance if the Graduate Student is not eligible for a health insurance waiver. A waiver of the health insurance fee may be applied for directly with **United Health Care** at: [studentcenter.uhcsr.com/Kennesaw](http://studentcenter.uhcsr.com/Kennesaw). Graduate Students that are enrolled in one of KSU premium-priced programs will be required to pay all tuition and other costs of these programs in excess of standard graduate in-state tuition. Failure to pay by the tuition payment deadline will result in classes being canceled.

## **STIPEND:**

The Summer stipend amount will be paid in two monthly payments. The first payment date will be the last business day of June (6/30/18) and represent the period of 5/14/18 through 6/30/18 or 60% of the stipend. The second payment date will be the last business day of July (7/31/18) and represent the period of 7/1/18 through 7/31/18, the remaining 40% of the stipend. The payment of compensation provided for herein is contingent upon the continued availability of funds for personnel services under the General Appropriations Act.

## **WORK ASSIGNMENT & HOURS:**

You must render service to the university, college, or department to which you are assigned during the period of the appointment. The responsibilities and expectations of your position are described on the last page of this contract. The assistantship requires that the Graduate Student works no more than **40 hours** per week for the **10 weeks in the Summer semester** based on assignment. Supervisors should take the students course load into account when setting their weekly work hours.

The faculty supervisor will provide assignments to be completed in a timely manner. Regular meetings between the faculty supervisor and the Graduate Student should take place to assess progress on the project and for the Graduate Student to receive any new assignments. The supervisor will submit an evaluation of the quality and outcome of the project and completed work at the end of the term and will provide documentation of the number of hours devoted to the project by the graduate assistants. **While working as a graduate assistant you may not be employed in any other position within the University System of Georgia.**

## **TERMINATION OF CONTRACT:**

This contract will be terminated immediately if the Graduate Assistant fails to meet the requirements of the contract as determined by the faculty supervisor. A Graduate Assistant wishing to resign must submit a letter of resignation to the Graduate Dean and their Faculty Supervisor. In both circumstances, compensation will cease upon termination and the Graduate Assistant may be required to reimburse the university for tuition waived for the semester using the guiding principles detailed in the Graduate Assistantship guidelines.
